

## **CARPORTS NOT MEANT FOR STORAGE**

**There are several carports in Phase II, by 7640, that are being used for storing items. While it is convenient because of the block wall forms a place to lean things, it still is against the Association policy. The following units are in violation:**

<b>#134</b>	<b>Bikes</b>
<b>#269</b>	<b>Tool box</b>
<b>#270</b>	<b>Folding Chairs</b>
<b>#271</b>	<b>Bikes</b>
<b>#370</b>	<b>Bikes</b>

**If you are the owner or the renter of one of the above units, please immediately remove your items from the common area. Otherwise, they will be removed without further warning. Any and all costs associated with the removal of these items will be passed on to the corresponding unit. The Assoc or its agents will not be responsible if your item is damaged. Thank you for your prompt attention.**
