Re: Christmas Tree Recycling

12/26/16

**“What do I do with my Christmas tree
when the Holidays are over?”**

Christmas trees are a valuable *renewable resource!* To avoid wasting this resource in landfills, The Grove participates in a Treecycling program. Trees are collected and mulched by our gardening service and re-used in the community to keep it green and beautiful.

**Tree drop-off locations are by the pool area
and by Bldg 7606. Look for the cones.
Please drop live trees only and remove all
decorations and stands.
December 26, 2016 – January 10, 2017**

**Please DO NOT dispose of Christmas trees
in dumpsters!**

**Thank you for your participation and
Happy Holidays!**
