Re: New Dumpsters with Lids

The Association has received reports of raccoon sightings in and around our trash enclosures. In order to discourage them from foraging, the Association has asked Allied Waste to provide dumpsters with lids.

These new dumpsters will be arriving soon (approximately 2 weeks).

For obvious reasons, you will need to lift up the lids before discarding your household trash. Please do not just throw your trash over the enclosure. It would only cause your trash to scatter and make a mess.

Thank you for your cooperation and patience.

Sincerely,
EUCALYPTUS GROVE OWNERS ASSOCIATION
