**Hello,**

**There is a green Toyota Camry, with Indiana Lic Plate #741ZXR, with expired registration that has been tagged .**

**It appears to have been abandoned, as it has not moved for quite some time. It also has flat tires.**

**If you own this vehicle (or know its owner), please be aware that it will be towed at the vehicle owner's expense next month...around mid-June.**

**Please bring the registration current, repair the flat tires, and park it in your assigned space or store it off-site.**

**Thank you for your prompt attention and cooperation.**
